## HUMAN RESOURCES DIRECTORATE

The directorate is responsible for human resources (HR) matters, including strategy, governance, policies, and services for staff, retirees and their dependents. The directorate develops HR policies and delivers HR services. Its areas of activity include typical HR tasks, such as the definition and administration of compensations and benefits, as well as recruiting. Playing the role of HR business partner, it supports the positive evolution of the organisation, ensuring people development, diversity, inclusion, empowerment, and overall employee engagement. It also oversees statutory areas such as employee relations and the provision of health insurance and medical benefits.

## INSPECTORATE GENERAL

The Inspectorate General groups together, under the authority of the Inspector General, three independent accountability functions: evaluation of EIB Group activities, investigations into prohibited conduct, and the complaints mechanism. In addition, the Inspector General chairs the EIB Procurement Complaints Committee handling procurement complaints.

## CHIEF FINANCIAL CONTROLLER DIRECTORATE

The directorate is mainly responsible for informing internal and external stakeholders about the Bank's financial position, results and performance. It has to ensure the integrity, completeness and accuracy of the Bank's financial statements and compliance with the applicable accounting standards and best practices. In 2016, the directorate established the Internal Controls and Assertion Division, which aims to strengthen the Bank's second line of defence and provides a common platform to assess and report on the EIB's control risks.

## INTERNAL AUDIT DEPARTMENT

The department is responsible for examining and evaluating the relevance and effectiveness of the internal control systems and the procedures involved in managing risk within the EIB Group. To that end, Internal Audit reviews and tests controls in critical banking, information technology and administrative areas on a rotational basis using a risk-based approach.
